H. R. 11. Resolution memorializing the President of the United States in the matter of lawlessness in the Hawaiian Islands.

Be It Resolved by the House of Representatives of the Commonwealth of Kentucky, the Senate concurring therein:

In September last the wife of Lieutenant Thomas Hedges Massie, an officer in the United States Navy, a native and citizen of Winchester, Kentucky, stationed at Honolulu in Hawaii, was kidnapped, assaulted, beat, mangled, her jaw broken and raped six times by five Oriental native Hawaiians, resulting in pregnancy, confining her to a hospital, and making an operation for abortion imperative, and although she identified four of the five rapists, the jury which tried them, failed to convict, leaving this foul and horrible crime unpunished; prior to this crime six men, natives of Hawaii, were charged with the rape of a Chinese girl and one or more of them were convicted, and one of them, a prizefighter, was pardoned of the offense, and shortly thereafter was in New York City taking part in a prize fight, and that same man is one of the five men charged with the rape of Mrs. Massie, and that following the assault and rape of Mrs. Massie by these five rapists, they were permitted to go at large in and about Honolulu, and that they continued at large until one of their number was recently killed, and thereupon the other four of said rapists voluntarily surrendered themselves to the jailer in Honolulu for their own personal safety and protection, and whereas, in connection with the killing of one of the five
rapists, Lieutenant Massie, Mrs. Granville Roland Fortescue, the mother of Mrs. Massie and E. J. Lord and A. C. Jones, two enlisted men in the Navy, are held as prisoners in Honolulu.

Now, Be It Resolved by the General Assembly of the Commonwealth of Kentucky, that this Assembly memorializes petitions and requests His Excellency, the Honorable Herbert Hoover, President of the United States, and Commander in Chief of the Army and Navy, to use the power vested in him as Chief Executive and as Commander in Chief of the Army and Navy, to demand that the repeists who so dastardly, beat and raped the Wife of Lieutenant Massie, be brought to justice and to insist that a full measure of the law be meted out to them, and we further memorialize, petition and request that the President as Chief Executive and Commander in Chief of the Army and Navy, use every arm of the Government to insure the immediate release of Lieutenant Massie, Mrs. Fortescue, E. J. Lord and A. O. Jones, and to insure this end, we petition and request, if such result cannot otherwise be secured, that the President declare a state of martial law in Honolulu, as has been done, at least, on one former occasion, and thereby exercise direct control from the seat of government at Washington, until such time as the territory of Hawaii can be made safe for women, and especially for the wives of our men in the Army and Navy, who are stationed in Honolulu, not of their own volition, but under orders of the War and Navy Departments, which they must obey.

That this Resolution be sent to the President of the United States forthwith by the Secretary of State under the Seal of the Commonwealth of Kentucky.
